Cowdung Cup - A Raging Success

Eighteen teams battle out the revamped cup on Sat 01 October

Wrap up from Willo below:

At 8.00am under a cloudy sky there were volunteer members everywhere, finalising teams and scoreboard, preparing the green surrounds, arranging the trophy presentation and club merch display, cooking breakfast for the players, and arranging tables and meal orders for lunch.

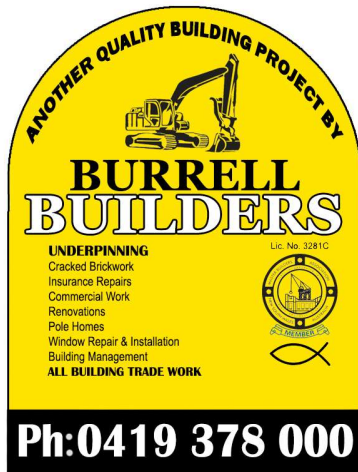

The tournament kicked off on time at around 9.30am, and despite some scattered showers and consequent brief delays here and there all 18 teams managed to get through their 3 x 10-end games without any major meteorological dramas. The results are covered elsewhere in this newsletter.

Thanks to our visiting teams from Warilla Sporties, Kiama, Robbo, Gynea, Alexandria, and HC Bowlers for their support.

Many stayed on well after the presentations to enjoy the club's hospitality. All feedback has been positive and generous, with return visits planned both for the CDC itself and hopefully some social bowls challenges in between.

An incredible amount of organisation is required for such an event and warm thanks go to all our volunteers and staff for their great support to make the day a success. Special thanks to Kiwi (pictured above, thanks Baz), Mad Dog, Murt, and Marg.

Pairs Final

After a great start, Brian and Kevin Harris led at the half way mark 12 shots to 5 from Loz East and Barry Wray, after holding another 5 shots on the next end Barry changed the game's momentum with a magnificent final bowl, drawing a resting toucher (a 6 shot turn around).

Barry then proceeded to, after stern words to Loz, ("**Loz, concentrate, get your head in the game**") gradually get on top.

Laurie's lead bowls from this point were exceptional, Barry also played brilliantly often saving shots with his last bowl.

A good gallery of spectators was treated to a superb game, with Loz and Baz the worthy winners over Dad and Dick 21 shots to 14.

THE GAME OF BOWLS – ANCIENT BEGINNINGS (PART 2)

As the British Empire spread so too Lawn Bowls. In the new territories the game started in USA, Canada, New Zealand and Australia. The first game in Australia was played in 1844 at the Bowling Green Hotel in Sandy Bay, Tasmania. Bowls had spread rapidly in Britain and the new territories when Edwin Buddy invented the lawnmower in 1830.

In 1852, 1000 paying spectators watched a match at Sandy Bay between Civilians and the Military.

In 1860, bowling clubs were formed in Melbourne. In 1880's, The NSW Lawn Bowls Association was formed with clubs beginning at Parramatta, Williamstown, Strathfield, Belmore and Newcastle. At the turn of the Century clubs formed at Woonona, Corrimal, Moss Vale and continued to spread on the South Coast.

There are 46 countries across 6 continents that are now members of the World Bowls Federation.

MENS PENNANTS

Following a 77 to 39 win over Kiama, Jamberoo have finished undefeated in the sectional part of the Men's Pennants competition. That win puts Jamberoo on 65 points, 11 ahead of Gerringong.

Round 6 against Albion Park proved to be a good, 'tough it out', win for Jamberoo. Mick Twyford commented that 'the gusting winds made conditions challenging.

My bowls were everywhere.’ Losing two rinks meant that we needed a big result and Barry Wray’s team didn’t let us down winning their rink 8 / 33.

Jamberoo will match up in the final round robin against the other Section winners Wisemans Park on Sunday 16 Oct at Windang and Dapto Citizens on either 22 or 23 October.

Lighter Moments

Bowler's language - what it really means....

"Weight's good!"	= lousy line
"Good grass"	= lousy weight
"Good bowl back there"	= you were lucky you didn't put it in the ditch
"That's in their way"	= that's in my way.
"Nuisance value there"	= that bowl is closer to you than it is to the jack
"Get it next time"	= you sure didn't get it this time
"They're surprisingly good"	= you're surprised they ever make a shot
"I'd bowl with them any day"	= they always buy the first round

COACHING CORNER

Some examples of turning self defeating thoughts into self enhancing thoughts are listed below.

Self defeating thought

Change to self enhancing thought.

<i>I can't believe it's so windy and cold, I have to play in this weather?</i>	<i>No one likes this type of weather, but I can play in it as well as anyone.</i>
<i>Things are slipping away, I'm six shots behind.</i>	<i>Stop worrying about the score, just concentrate on the next bowl.</i>
<i>Who cares how well I do anyway.</i>	<i>care and I'll be happier if I push myself.</i>
<i>I don't like this green.</i>	<i>Everyone has to play here, I can play this surface just as well as the rest.</i>
<i>I don't think I can play this shot.</i>	<i>This is a tough shot, but I can do it.</i>

BPL CUP 2022

Brian Harris, Craig Harris and Brian Moore travelled to St Georges Basin BC on Sunday 18th September. The Jamberoo team acquitted themselves well winning one match and narrowly losing the other two matches on extra ends. The other qualifying team from the first round of games at Jamberoo, Checuti, Simeon, and Mitskof from Figtree BC won the day. They played the final State round at Mount Lewis on Sunday 25th September but were eliminated. The popularity of BPL Cup continues to grow.
