### MINOR SINGLES FINAL

Two schoolboy mates from Warilla had a bowling dream. Mick Twyford and Shaun Langlands had that dream realised when they faced off in the Minor Singles final on Saturday 1st of July. The banter between the two had escalated during the build-up.

Who was going to seize the title and have the bragging rights.

Saturday saw a spectacular day weatherwise in Jamberoo. Only a slight breeze from the west. Enough to cause early frustration for both finding their grass and weight.

The crowd had gathered both on adjoining rinks and from the peanut gallery above. Langlands had his mother and partner both there in support.

At times it was difficult to know whom they were really supporting. After all they were like brothers.

The marker for the day Laurie East got the game away on time at 1pm. It was on!! The first half dozen ends were shared by both bowlers.

Twyford had the lead at 4-3 after 6 ends. He kept on frustrating Langlands by plopping a bomb in the head often with his last bowl.

Langlands started to find good grass and won 6 consecutive ends. After the 12th end Langlands had a 22-10 lead. Twyford fought back hard but was unable to get lead back. Langlands got the job done 25-12.

The match was over but the celebrations and

long night ahead had just begun. The story of two mates fighting out the championship in good spirit was the overall winner. Goodluck to both these rookie bowlers who have developed into fine and respected members of the bowling fraternity.

## Exciting Triples

On Tuesday 27 June, Round 1 of the Triples included an insignificant match between Vic, Ria, & Tez and Ding, Kelley, & Loz. Most punters had invested heavily on the more experienced trio and thought that the match was

unlikely to go the full twenty-five ends. Tez’s team boasted the Club’s oldest serving member; Vic and the Club’s newest recruit of only 2 weeks; Ria .

Showing no sign of nerves, the longshots got away to a good start taking the first three ends and then leading after six ends. But, some great bowling from Ding, Kel, and Loz allowed the them to skip away a 13 / 20 lead after sixteen ends, several big ends showing the experience. Then, with the crowd support building, the longshots took four consecutive ends to get to 17 / 20 after twenty ends.

When Ria trailed the jack on the twenty first end, the crowd erupted. ‘I thought that we had them,’ Terry said. But, Loz was not to be outdone, calmly drawing the shot. A weighted last bowl from Tez just missing it’s mark.

‘At eighteen to twenty-four after the twenty third end, we obviously had to go for it and Vic & Ria gave us a good shot at it. But, Laurie kept his nerve to have two shots. I tried rattling the head with my last, only to knock their bowls closer. A well deserved win to them.’ This was a very entertaining match, a good win under pressure, and some very good bowls from the less fancied longshots.

The Jamberoo School Friday morning Bowls coaching program has wrapped up for another term. Under the direction of Coach Jeff O'Brien, the 24 boys and girls enjoyed their bowls, moving into competitive games. Assistant coaches Kevin Harris, Greg Clough, Neil Lewis, Terry Stamp and Mick Souter enjoyed the (more) adult company.

## The Laws of the Sport of Bowls

### Agree the outcome of the End

There has been some chat recently about what happens if bowls are 'kicked back' before the number of shots are agreed. Please remember, that the two skips / vice must agree before any bowls are moved.

If the bowls are moved before the number of shots are agreed, then Law 37.1.5 applies.

### **37.1.5 Displacement of a bowl at rest.**

37.1.5.1 If a bowl at rest or a toucher in the ditch is displaced by a player and it has not disturbed the head after it is displaced, the opponent must put the bowl back to its former position.

37.1.5.2 If a bowl at rest or a toucher in the ditch is displaced by a player and it has disturbed the head after it is displaced, the opponent must put the bowl back to its former position and replace any part of the head disturbed after the displacement.

### Eights Shot Penalty

Sometimes, you will hear people say that this misdemeanour on the green, or the other, is an 8 shot penalty. Sorry folks, there is **NO** provision for an 8 shot penalty for any discretion within the laws of the game. However, there is provision for instantaneous penalties under the Bowls NSW General Conditions of Play. These include:

General COP Section 35 - In the first instance, the opponent of the offender shall be awarded as many shots as there are bowls in use by the Opponent in singles or opposing Team in a team game or team in a side game.

## CLUB HISTORY (CONTINUED)

John Murphy was the first Club Secretary. Being a foundation member, it could be said that he laid the foundation for the club to foster. He oversaw two extensions to the club, construction of the No 2 green and lighting. John left the club in 1960.

George Chapman became the club's first Secretary Manager in 1960 and served for two years before taking a position at a larger club. In 1962, Lindsay Zbierski took over as Secretary Manager and he remained for six years.

Reg Duncan took up duties as Secretary Manager in December 1968. More on the Duncan Family influence in the next volume.

Hilton Alexander succeeded Jack Dennerley as Club President in 1969. Hilton was a founding member, had served as Vice President for three years, and was a delegate to the South Coast District for a number of years. During his tenure, the land which is now the front carpark for the club was acquired. This parcel of land can be seen in the photograph below between the red roofed house on the right, which is the current butcher shop, and the red roofed building in the centre of the photo, which is now the club's units.

In 1969 June Rutledge also succeeded Jean Fredericks as ladies president. Jean had served as Ladies President since 1964 and had overseen a period where the catering at the club was undertaken by the women. The Sunday roast being a particular favourite amongst the men.

June Rutledge was to serve as Ladies President for five years, then as Secretary for another decade or more. June somehow managed to fit in cleaning duties for a

twenty five year period and was a strong practitioner in the kitchen known for her high teas and pumpkin scones.

Whilst the stereo type duties of the ladies in the 50's, 60's and 70's might appear alien to twenty first century readers, the ladies of the time took great pride in their 'support' of the men. I have not doubt as to whom was wearing the pants.....
